Six Electronic Newsletters Prepared

Another year has passed and thanks to you, **AWRA Florida** continues to be a vibrant and successful organization.

Since 1971, **AWRA Florida** has been promoting the understanding of water resources and related issues by providing a multidisciplinary forum for **information exchange, professional development and education.**

In **2015**, six technical meetings were held from **Key Largo** to **Apalachicola**. **AWRA Florida** awarded approximately **\$19,000** in **scholarships, grants and awards** to students and teachers and funded **13 high school and college students** to attend the **AWRA Annual Water Resources Conference** in Denver.

Thank you all for your efforts and continued support.
