# PRESIDENT'S MESSAGE

Thanks to our membership and board of directors, AWRA Florida continues to achieve its mission of promoting the understanding of water resources issues by providing a multidisciplinary forum for information exchange, professional development and education.

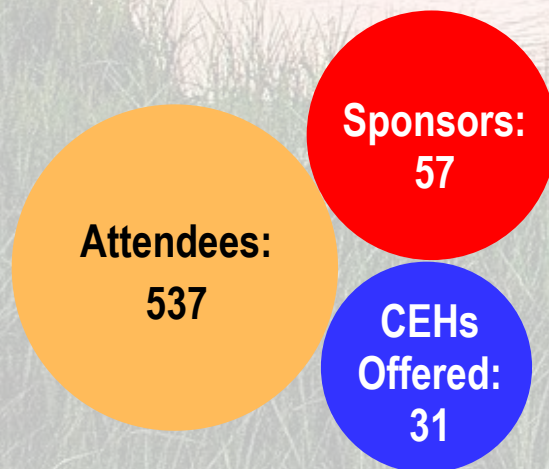

In 2017, six technical meetings were held in Fort Myers, Gainesville, Tampa, Key Largo, West Palm Beach, and DeLand and over \$16,000 in scholarships, grants and awards were distributed to students and teachers.

Thank you all for your efforts and continued support.
